After May 1st each year, please use the websites listed below to see if there has been an updated map issued, or contact WDFW at 509-575-2740.

Green Dot Roads are open to motorized vehicles. Other roads and trails are closed to all motorized vehicles.

Green Dot Roads are posted with round green reflectors or white route markers.

To view the current status of roads and the rules that apply in your area, consult the Washington Department of Natural Resources, the Washington Department of Fish and Wildlife, or the United States Forest Service. You can also check our website for more information.
