APPLICANTS CERTIFICATION OF DISABILITY

Applicant: Special Use Permits (SUP) are available to any person who has applied for, receives, and maintains in good standing "Disability Status" with Washington State Department of Fish and Wildlife (WDFW); and who has a permanent inoperable physical or cognitive disability; and the disability must be certified by a licensed physician through this SUP application process. You are applying for a Special Use Permit to accommodate your physical inability to board (enter) and disembark (exit) from a motorized vehicle. State law restricts permit to persons with permanent inoperable disabilities. There are no temporary permits.

Application instructions:
1. Applicant must complete and certify all information requested on page one (1).
2. Take application to licensed physician with intimate knowledge of your disability condition and physical impairment.
3. Review this entire packet with your physician.
4. Physician must review page 1 and complete page 2, 3, and 4.
5. Physician statements, signatures, address, phone, medical ID number and title are mandatory on this form.
6. Attach any supporting documentation to this application and mail or fax to the location/number provided above.
7. Allow 4-6 weeks for processing. Incomplete applications will be returned.

Applicant: Please circle your answer for the following statements as they pertain to your permanent inoperable disability.

**PHYSICIANS MEDICAL CERTIFICATION OF APPLICANTS DISABILITY**

**Physician:** The above applicant is applying for a Special Use Permit to accommodate them during their hunting activity. WDFW is dedicated to improving opportunities for people with permanent disabilities through reasonable accommodations. People with permanent inoperable disabilities may have unique needs due to their impairments. Special Use Permits (SUP) allow for a specific exception to a recreational activity, service, or regulation. Each Special Use Permit is customized on a case by case basis to each individual’s particular need. WAC 220-200-170 *State law restricts such permit to persons with permanent inoperable disabilities.* There are no temporary permits. Correctable and operable medical impairments do not qualify.

**Permanent inoperable means:** not treatable or correctable, all surgeries, treatments, and mechanical devices have been medically exhausted, or not curable because of undue risk to the patient.

Special Use Permits (SUP) are available to any person who has applied for, receives, and maintains in good standing "Disability Status" with Washington State Department of Fish and Wildlife (WDFW); and who has a permanent inoperable physical or cognitive disability; and the disability must be certified by a licensed physician through this SUP application process.

**Application instructions:**
1. Licensed MD, ARNP, PA with intimate knowledge of applicant’s disability and physical impairment may complete application.
2. Physician must complete and certify all information requested.
3. Physician statements, signatures, address, phone, medical NPI number and title are mandatory on this form.
4. Attach any supporting documentation, testing protocol, or SOAP reports to this application.
5. Incomplete, vague, or illegible statements will be returned.

**Physician must complete and certify the following information requested.**

Physician, the following questions pertain specifically to the applicants permanent inoperable disability which renders them unable to physically board (enter) and disembark (exit) a motorized vehicle without assistance from another individual every time, or without the assistance of a wheelchair ramp or lifting device each and every time to board and disembark a motorized vehicle.

*Physician initials are required next to each applicable answer and is subject to RCW 9A.72.030.*
