**RCW 77.65.210****Nonlimited entry delivery license—Exceptions—Fees.**

(1) Except as provided in subsection (2) of this section, a person may not use a commercial fishing vessel to deliver food fish or shellfish taken for commercial purposes in offshore waters to a port in the state without a nonlimited entry delivery license. As used in this section, "deliver" and "delivery" mean arrival at a place or port and include arrivals from offshore waters to waters within the state and arrivals ashore from offshore waters. As used in this section, "food fish" does not include salmon. As used in this section, "shellfish" does not include ocean pink shrimp, coastal crab, coastal spot shrimp, or fish or shellfish taken under an emerging commercial fisheries license if taken from offshore waters. The annual license fee for a nonlimited entry delivery license is two hundred sixty dollars for residents and six hundred forty-five dollars for nonresidents, and an additional thirty-five dollar surcharge for both residents and nonresidents to be deposited in the rockfish research account created in RCW 77.12.702. The application fee for a nonlimited entry delivery license is one hundred five dollars.

(2) Holders of the following licenses may deliver food fish or shellfish taken in offshore waters without a nonlimited entry delivery license: Salmon troll fishery licenses issued under RCW 77.65.160; salmon delivery licenses issued under RCW 77.65.170; crab pot fishery licenses issued under RCW 77.65.220; food fish trawl—Non-Puget Sound fishery licenses, and emerging commercial fishery licenses issued under RCW 77.65.200; Dungeness crab—coastal fishery licenses; ocean pink shrimp delivery licenses; Washington coastal spot shrimp pot fishery licenses issued under chapter 77.70 RCW; and emerging commercial fishery licenses issued under RCW 77.65.220.

(3) A nonlimited entry delivery license authorizes no taking of fish or shellfish from state waters.

**WAC 220-355-080****Highly migratory species fisheries—Possession and landing requirements—Gear restriction.**

(1) It is unlawful to possess, transport through the waters of the state, or land into any Washington port, highly migratory species taken in violation of any permit or data collection requirements as published in the Code of Federal Regulations (C.F.R.), Title 50, Part 660, Subpart K. These federal regulations provide the requirements for highly migratory species fisheries in the Pacific Ocean. There may be additional regulations listed in the Federal Register, and these override the regulations in the C.F.R. if there are any inconsistencies between the two. Chapter 220-355 WAC incorporates the C.F.R. by reference and is based, in part, on the C.F.R. Where rules refer to the fishery management area, that area is extended to include Washington state waters coterminous with the Exclusive Economic Zone. A copy of the federal rules may be obtained by the internet at [www.pcouncil.org](http://www.pcouncil.org). State regulations may apply that are more restrictive than federal regulations.

(2) Except as authorized under the federal rules referenced in this subsection, it is unlawful to use drift gillnet gear in state and offshore waters west of the Bonilla-Tatoosh line, north of the Washington-Oregon boundary, and south of the United States-Canada boundary.

(3) Violation of reporting requirements under this section is punishable pursuant to RCW 77.15.280.

(4) Violation of gear requirements under this section is punishable pursuant to RCW 77.15.520.
