EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule is necessary to require the release of Chinook salmon in Catch Record Card (CRC) Area 11. The Chinook quota for CRC Area 11 is expected to be reached by the end of the day August 25, 2019. This rule also opens salmon fishing from a vessel seven days per week in CRC Area 11. These measures are consistent with co-manager agreed to fisheries. There is insufficient time to adopt permanent rules.
