

Concise Explanatory Statement

[Discount Distribution]

Rules adopted as part of this rulemaking:

WAC 220-220-095 Discount Distribution.

1. Background/Summary of Project:
 - a. Adopting WAC 220-220-095 to improve the reconciliation of the department's sales from discount and packaged licenses. Adopted 9/27/2019 and effective 10/27/2019.
2. Reasons for adopting the rule:
 - a. A license package is a composite of two or more licenses and endorsements, sold at or below the cumulative price of its components. RCW 77.12.470(5) provides authority for the Commission to create new packages. If the Commission creates a license package that is discounted, the proposed WAC directs the Department to distribute the discount proportional to the various accounts.
3. Differences between the text of the proposed rule and the rule as adopted:
 - a. None
4. Public comments, response to comments, and consideration of comments
 - a. Published CR-101 on May 1, 2019.
 - b. Published CR-102 on July 3, 2019
 - c. Adopted and Filed CR-103 September
