EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is needed to close a portion of the Skagit River to all fishing to avoid gear conflicts with treaty fisheries during these scheduled dates. These closures were agreed to with co-managers during the 2019/2020 North of Falcon process. Exact dates were to be determined based on in season information such as stream flow and run timing. These dates have now been set, there is insufficient time to adopt permanent rules.
