**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This rule is necessary to return recreational salmon daily limits to permanent rule in Marine Area 13. Escapement and hatchery goals are expected to be met for coho stocks in Marine Area 13, therefore daily limit restrictions for coho in this area are no longer needed. There is insufficient time to adopt permanent rules.
