**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This emergency rule is needed to extend the gamefish open season for Padden Lake and Steel Lake. The WDFW stocked catchable-size Rainbow Trout in both lakes this fall in late-October and will again prior to Black Friday (November 29). These fish and the extension of the fishing season will provide additional fishing opportunities through the holidays in these lakes. There is insufficient time to adopt permanent rules.
