DETERMINATION OF NONSIGNIFICANCE (DNS)

Name of Proposal: DNS 19-062: WELLS RECREATION SITE DEVELOPMENT

Description of Proposal:

The Wells boat launch is a rustic dirt boat ramp located at the Wells Wildlife Area Headquarters. It is currently limited in use due to inadequate grade that can make low water launching impossible due to inadequate water depth. The dirt surfacing also increases launching difficulty with reduced traction. The site also lacks amenities, including restrooms and parking. WDFW is proposing to increase the ramp grade to 12%, allowing deeper and easier launching and to provide a formal ramp surface composed of articulated concrete block. WDFW will also install a vault toilet and improve parking, including Americans with Disabilities Act (ADA) parking.
