**Subject:** DNS 20-021: NORTH LEQUE ISLAND RESTORATION - Skagit County  
**Date:** Monday, May 11, 2020 8:25:55 AM

---

Good morning, Kerry,

Thank you for your quick response to the DNS for the North Leque Island Restoration project. WDFW will forward the project schedule to the Stillaguamish Tribe and will consult further if the project area changes, keeping in mind the concerns west of the current project.

Kind regards,

Stephanie Kuhns
