DEPARTMENT OF FISH AND WILDLIFE

48 Devonshire Road □ Montesano, Washington 98563-9618 □ (360) 249-4628 FAX (360) 664-0689

July 15, 2020

To Interested Parties:

This letter is to inform you of the commercial salmon fishery regulations for Willapa Bay during the 2020 season.

Please be aware that not all commercial fishing areas are open during each opener and the area around the North River (see summary of schedule for a specific description of closed area) in area 2T is CLOSED to fishing from September 8 through September 30, 2020.

Retention of all sturgeon and all steelhead is strictly prohibited. Encounters of sturgeon with tags of any sort should be reported. DO NOT REMOVE tags; carefully obtain and submit information from tags to: Washington Department of Fish and Wildlife, 48 Devonshire Rd., Montesano, WA 98563.

During all commercial fishing for salmon in Willapa Bay:

- Commercial fishers MUST:
 - Have in their possession a WDFW-issued “fish Friendly” certification card.
 - Carry an on-board observer, when requested by Washington Department of Fish and Wildlife (WDFW) to do so.
 - Report encounters of green sturgeon through the Quick Report system or to a dealer for reporting. Direct reporting by fishers shall include name of the fisher, vessel #, date, catch area, and number of green sturgeon encountered.

- Wholesale dealers and fishers retailing their fish MUST:
 - Report purchases of salmon including all “take home” to WDFW by 10:00 A.M. of the day following the commercial landing. The quick reporting requirement does not preclude the obligation of buyers to report catches on fish tickets. A copy of the “Statewide Quick Reporting Summary Sheet” can be downloaded on our website at: https://wdfw.wa.gov/sites/default/files/2019-03/quick_report_form_statewide.pdf. Dealers should use the “buyer only” portion of the fish ticket to list the number of green sturgeon encountered with any landing and in the pounds/price columns label as ‘encountered’.
 - Include the Port Code for the location of delivery is required on fish receiving tickets (See WAC 220-352-040).

These regulations are subject to change based on in-season information. You are advised to verify schedules and regulations on the WDFW hotline at (360) 902-2500 or (360) 249-4628 before fishing. You may obtain a copy of the Washington Administrative Code (WAC) for this fishery at <https://wdfw.wa.gov/about/regulations/2020>

This letter and other relevant information regarding this fishery are available on the WDFW website at <https://wdfw.wa.gov/fishing/commercial/gillnet#information>. For additional information or questions, please contact Barbara McClellan at (360) 249-1213 at the Region 6 Montesano office.

Fall Fishery (openers occurring between September 8 and October 15, 2020):

Gear restrictions:

- Areas 2N, 2T, and 2U – Tangle net gear (maximum mesh size is 4 ¼ inches) September 8 through September 11, 2020.
- Maximum mesh size is 6 1/2 inches September 14 through October 15, 2020.
- Notice of Intent to fish Willapa Bay is REQUIRED by 5 p.m. August 31, 2020.

Area restrictions:

- Area 2T, north of a line from Toke Point channel marker 3 easterly through Willapa Harbor channel marker 13 (green), then northeasterly to the power transmission pole located at 46°43.1907'N; 123°50.83134'W), is CLOSED to fishing September 8 through September 30, 2020.

Mark selective fishery and recovery box requirements:

- From 12:01 a.m. September 8 through 11:59 p.m. October 15, 2020:
 - o Soak time is limited to 45 minutes during any individual set.
 - o ALL wild (unmarked) Chinook salmon and ALL steelhead are required to be released September 8 through October 15, 2020.
 - o Recovery boxes are REQUIRED and MUST be operating when gear is being retrieved and when a wild (unmarked) Chinook or steelhead are being held to recover.
 - o ALL wild (unmarked) Chinook salmon and ALL steelhead MUST be placed in an operating recovery box and remain until they are not lethargic and/or not bleeding from September 8 through October 15, 2020.
 - o Chum may be retained from September 8 through October 15, 2020.
