

Fish and Wildlife Commission Presentation Summary Sheet

Meeting date:

9/12/2020

Agenda item:

Hatchery Policy (C-3619) Review

Presenter(s):

Ron Warren, Director of Fish Policy

Background summary:

Over the course of the last two years, beginning at the June 15, 2018 Fish and Wildlife Commission (FWC) meeting, the department conducted a review of all sections and aspects of the Hatchery and Fishery Reform Policy (C-3619). The Commission's June 10–13, 2020 meeting, the fish committee members took the lead in drafting the initial language modifications based on the review the department conducted as well as comments received.

At the August 1st Commission meeting a draft Anadromous Salmon and Steelhead Hatchery Policy was approved for continued public input leading up to the briefing and public hearing September 12, 2020.
