Hello Melanie,

Thank you for reviewing the Chief Joseph WLA Access Road Repair project and providing comments. I have started the 401 WQC process and have sent a pre-filing form to Ecology on 7/22/21. I have not received a response from ECY regarding this form. However, I will touch base with Hallie Ladd in regard to this project to confirm a path forward.

This project has been reviewed under SEPA and County Shoreline jurisdiction. This project is still under review for ACOE Nationwide (Bank Stabilization) and WDFW Hydraulic Project Approval.

Thank you,
Anna
