

Importation of dead wildlife and special closures - Decision

Brock Hoenes
North Central Region Director

WACs:

220-413-030 Importation and retention of dead nonresident wildlife

220-413-180 Special closures and firearm restriction areas

WAC 220-413-030 Importation and Retention of Dead Nonresident Wildlife

- Proposed adding Ohio to the list of states where hunters are prohibited from importing certain parts of deer, elk, or moose that were harvested in those states.
- The Department also proposed to alphabetize that list.
- No written comments.
- One person testified during the briefing on September 17, 2021, and expressed general support of the Department's efforts to prevent CWD from becoming established in Washington

WAC 220-413-180 Special Closures and Firearm Restriction Areas

- Proposed to add GMUs 423 (Henry Island) and 424 (Stuart Island) to the list of islands that are standalone GMUs to clarify the firearm restrictions for all San Juan County applies to these GMUs as well.
- No comments received

Motion:

“I move to adopt the recommended rule changes as presented by staff for WACs 220-413-030 and 220-413-180.”

Is there a “second”?
