

AMENDATORY SECTION (Amending WSR 22-15-096, filed 7/19/22, effective 8/19/22)

**WAC 220-415-060** (~~2022~~) **2023 Elk special permits.** It is unlawful to fail to comply with the bag, possession, and season limits described below. A violation of this section is punishable under RCW 77.15.410 Unlawful hunting of big game—Penalty.

**Special Elk Permit Hunting Seasons (Open to Permit Holders Only)**

Hunters must purchase an elk hunting license prior to purchasing a permit application. Hunters may only apply for permits consistent with the tag required for the hunt choice; however, Multiple Season Permit holders may apply for Eastern or Western Washington archery, muzzleloader, or modern firearm permit hunts. Applicants must have purchased the proper tag for these hunts. The elk tag prefixes required to apply for each hunt are shown in the following table.

Hunters drawn for a special permit hunt must comply with weapon restrictions, dates, and other conditions listed for the hunt. Hunters drawn for a special permit designated **"Any tag"** under the **"Weapon/Tag"** restriction must use equipment consistent with the requirements of their transport tag and license.

**Bag Limit:** One (1) elk per hunter during the license year except where otherwise permitted by department rule, even if permits are drawn for more than one elk hunt category. Any combination of seasons, tags, and permits set by the department will not exceed a maximum of two (2) elk per hunter during the license year.

<sup>HC</sup> This is a damage hunt administered by a WDFW designated hunt coordinator. Successful applicants will be contacted on an as-needed basis to help with specific sites of elk damage on designated landowner's property. Not all successful applicants will be contacted in any given year, depending on elk damage activity for that year.
