

Proposed Methow winter closures

[See maps for details.](#)

- Closures encompass **only 2.2%** of the total public land in the Methow Watershed
- Closures affect **less than 1% (.73%)** of the annual public land recreational access in the Methow Watershed.

USFS Roads are NOT impacted by the closure. This includes:

- FS Rd. 5008-100 (Bear Creek)
- FS Rd. 5009-100 (Ramsey)

Okanogan County Roads are NOT impacted by the closure. This includes:

- Gunn Ranch Rd.
- Rendezvous Rd.
- Lester Rd.
- Campbell Lk. Rd. (Campbell Lake is also exempt from the closure. The WDFW managed road into Pipestone Canyon is CLOSED)
- Upper Beaver Creek Rd. (Beaver Creek Campground is also exempt from the closure)
- Frost Rd. (Frost Lake is also exempt from the closure)
- Elbow Coulee Rd.

WDFW Roads NOT impacted by the closure:

- Cougar Lake Rd. (Methow Unit)
- Aspen Lake Rd. (Big Buck Unit)
- Private Easement Agreements

All of the above roads either cross the closure areas at some point, or are used as closure boundaries.
