

## European green crab resources

European green crab (EGC) resources from the Washington Department of Fish and Wildlife (WDFW) are listed below on the left, with their corresponding locations listed on the right.

### WDFW European green crab (EGC) webpage:

<https://wdfw.wa.gov/species-habitats/invasive/carcinus-maenas>

Includes detailed information about EGC, public updates, outreach materials and other resources, and the emergency response coordination.

### EGC Hub:

<https://wdfw-egc-hub-wdfw.hub.arcgis.com/>

Includes the most recent information about catch numbers around the state and participating co-managers, tribes, and partners.

### EGC reporting form:

<https://wdfw.wa.gov/greencrab>

Webpage intended for the public including EGC reporting and identification.

### Email sign-up:

<https://wdfw.wa.gov/about/lists> under Invasive Species, EGC Management Updates
