
COLUMBIA RIVER ACTION NOTICE

Washington Department of Fish and Wildlife

April 29, 2024

The states of Oregon and Washington discussed the following recreational fishery and took the following action:

| |
|-----------------------------------------------------------------------------------------------|
| <i>2024 Mainstem Recreational Fishery - Bonneville Dam to Oregon/Washington Border</i> |
|-----------------------------------------------------------------------------------------------|

| |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Effective 11:59 PM Monday, April 29, 2024 angling for and retention of salmon and steelhead is prohibited in the mainstem Columbia River from Bonneville Dam upstream to the Oregon/Washington border. |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

FUTURE MEETINGS

- No Compact/Joint State hearing is scheduled at this time. Staff will continue to monitor fisheries and fish passage at Bonneville Dam and will recommend additional hearings as needed.
