## FISHING AREA BOUNDARY

### Whatcom Creek

Catch Record Card (CRC) area 884

**Salmon fishing is allowed during open season dates only** from the Whatcom Creek mouth (a line from the flashing light at the southwest end of the Port of Bellingham North Terminal to the southernmost point of the dike surrounding the Georgia Pacific treatment pond) upstream to the footbridge below Dupont Street in Bellingham.

For current season dates and regulations, visit the Washington Sport Fishing Rules or Fish Washington mobile app, scan the QR code below, or visit: [wdfw.wa.gov/fishing/regulations](http://wdfw.wa.gov/fishing/regulations).

**A valid fishing license and salmon Catch Record Card are required.**

This fishery for hatchery-raised salmon is co-managed by the Washington Department of Fish and Wildlife, Lummi Nation, and Nooksack Indian Tribe in coordination with Bellingham Technical College's Fisheries & Aquaculture Sciences program. Salmon are raised to support food for Southern Resident killer whales as well as tribal and recreational fisheries. **Please be respectful of fishers.**
