Wenas Wildlife Area Bull Pasture Road Seasonal Closure

Comment Period 9/9/2024 – 9/23/2024

As a representative of the Kittitas County Field & Stream Club on the Wenas WAAC, I support the seasonal closure and gates on the Bull Pasture Road to reduce habitat damage and wildlife disturbance caused by motorized vehicles. This will not impact non-motorized access.

Sep 16, 2024 8:13 am

I support the seasonal closures of Bull Pasture Road to limit environmental impact from motorized vehicles while allowing non-motorized access still as well as the installation of gates to manage access. Thank you.
