Subject: SEPA Comment Response - Violet Prairie New Trailhead Development
Date: Monday, December 2, 2024 12:30:19 PM

Good morning Abi,

Thank you for reviewing the SEPA Documents for the Violet Prairie New Trailhead Development (DNS) Project in Thurston County.

We submitted an ORCAA Demolition Notification for this project on 10/3/24. In November, we hired an AHERA certified contractor/inspector to complete a survey of the buildings/structures to be demolished. ACM was found in one of the structures. This material was professionally removed. We have been corresponding with ORCAA through this process, which is now finalized.

Thank you again for your comments.

Anna
