

# Aquatic invasive species equipment in-state use confirmation

#### Instructions

Fishing contest participants using watercraft and equipment that *has not been* used outside of the state of Washington in the last 30 days must agree to the statement under the **participants** section by providing their information and signature. Pages 3 and 4 may be printed out as many times as necessary. Participants using watercraft and equipment used outside of the state of Washington in the last 30 days must complete the *Aquatic invasive species inspection* and decontamination confirmation form instead.

| Contest information  |                               |                  |  |  |  |
|--|-------------------------------|------------------|--|--|--|
| Sponsor:   | Pe                            | rmit Number:     | Date:  |  |  |
| Waterbody and County:  |                               |                  |  |  |  |
| Contest certification  I, the Contest Director or Designee, hereby certify that the following individuals are known to me and have provided correct information. |                               |                  |  |  |  |
| Contest Director/Designee  | :                             |                  | Date:  |  |  |
| Form submission Contest director/designee must return form with final contest report within 30 days of the contest completion to Alex Fulton.                    |                               |                  |  |  |  |
| Submission by email is preferred. If sending via mail, please address the envelope directly to Alex Fulton. Contact information below.                           |                               |                  |  |  |  |

### Aquatic invasive species equipment in-state use confirmation

### **Participants**

By filling out and signing this form, you are attesting, under penalty of perjury and all applicable Washington state laws, that the aquatic conveyances—including but not limited to boats, trailers, engines, any water containers, and associated equipment—that you will use during this fishing contest have not been in contact with any waters outside of Washington in the last 30 days. The only exception is if the aquatic conveyances originated from or traveled through contiguous, shared waters between Washington and Oregon, Idaho, or British Columbia during this fishing contest; if this is applicable, you may sign below, and the **Aquatic invasive species inspection and decontamination confirmation** isn't required.
