Notice of Action

Notice is given under SEPA, RCW 43.21C.080, that Washington Department of Fish and Wildlife (WDFW) took the action described in (2) below on April 14, 2025.

1. Any action to set aside, enjoin, review, or otherwise challenge such action on the grounds of noncompliance with the provisions of chapter 43.21C RCW (State Environmental Policy Act) shall be commenced on or before June 5, 2025.

2. Description of agency action:

The Washington Department of Fish and Wildlife (WDFW) is moving forward with construction of a new hatchery facility on the Deschutes River.

3. Description of proposal:

WDFW proposes to construct a new hatchery facility on the Deschutes River. The facility will consist of a hatchery building (~7,200 ft²), surface water intake and access road, groundwater production well, emergency backup generator, settling pond (size currently unknown), twelve 10 ft x 100 ft and six 20 ft x 120 ft raceways for rearing juvenile fish, one 17 ft x 100 ft pollution abatement pond, outfall, utility/shop building (size currently unknown), water treatment, and three on-site residence buildings (not estimated to exceed 2,400 ft² each) with separate water supply and septic systems, driveways, and an access road. The facility will operate year-round 24 hours a day, seven days a week.

4. Location of proposal:

7517 Rixie Road SE, Olympia, Thurston County, Washington: Township 17N, Range 1W, Section 7.

5. Type of environmental review under SEPA:

WDFW issued a Mitigated Determination of Nonsignificance 24-059 on December 20, 2024, and finalized it on April 14, 2025.
