

Washington Department of Fish and Wildlife SOLE SOURCE POSTING

June 18, 2025

The Washington Department of Fish and Wildlife (WDFW), PO Box 43200, Olympia, WA 98504-3200 contemplates awarding a sole source contract to Seattle Seaplanes, LLC, 1325 Fairview Avenue East, Seattle, WA 98102, to provide air charter services to the WDFW in order to support aerial boat count surveys as mutually agreed upon by the Contractor and the WDFW Project Manager. The Contractor will provide these services with a Cessna 206 aircraft piloted by a Contractor employee pilot which meets pilot contract specifications. Any changes in aircraft must be approved by the WDFW Project Manager in advance of any flight.

WDFW has been unable to find on the DES statewide contract 06119 an aviation company that can meet the requirements expressed below. WDFW conducted market research that includes contacting local aviation companies, checking safety records with the Federal Aviation Administration (FAA) and the National Transportation Safety Board (NTSB), and researching news reports, and found one aviation company that can meet these requirements.

WDFW has requirements (listed on the third page) for any aviation company we contract with, in addition to those we have specific requirements for survey work that this proposed vendor can meet:

- Be available year-round, seven (7) days a week.
- Experience conducting biological surveys. Biological surveys observe and collect data on fish and wildlife, including their reproduction, and these require some level of expertise in biology and animal habitats, including migratory behaviors.
- The use of a twin-engine or a single-engine with floats because we are flying over open water and for safety reasons we need to have a "spare" engine or the ability to land on water. A single-engine plane must fly too high for our visual needs to allow for a longer glide path in case of engine failure. This vendor has a float plane, and can fly between 500 and 1,200 feet above ground-level; which is optimal for visual identifications of survey subject matter.
- Pilots must have 500 hours of flight time and over 50 hours of flight time in the specific plane being used for the biological surveys. This is a requirement from the WDFW Aviation Policy.
- Located in Puget Sound. This eliminates the need to contract with non-local vendors and the increase in the costs of conducting the surveys due to the need for overnight stays. They are also familiar with the Puget Sound area, fueling locations and the safe water ways to land on.
- Able to pick up passengers in Olympia and other areas in Puget Sound, and this reduces our staff travel time.
- Available throughout day light hours.
- Must be a high winged plane for visibility to conduct surveys unobstructed by the plane wings.
- Must have a three-year (3-year) clean safety record with the FAA, NTSB, and news reports.

WDFW will enter into a ONE (1) YEAR contract with Seattle Seaplanes. The contract will be issued on or after July 1, 2025, and will continue for a ONE year initial term. The cost of this ONE year contract is \$192,500. WDFW may opt to extend the contract for an additional THREE (3) times in ONE (1) YEAR INCREMENTS if required. WDFW determines that each optional additional ONE YEAR EXTENSION would result in equal (and/or slightly higher) consideration being added to the total contract value.

If you believe you can meet WDFW's additional specific requirements listed above, you must:

- Submit a capability statement that addresses each of our above-listed requirements.
- Provide us sufficient details of your ability to meet those requirements that will allow us to determine your capability.
- Submit the capability statement within ten (10) working days of this announcement.

To submit capability statements or for questions, contact:

Kirsten Taylor, Contracts Team Manager
360-902-2439, Kirsten.Taylor@dfw.wa.gov

In the absence of other capable sources, it is the state's intent to make a sole source award of the contract.

WDFW requirements of any aviation company:

- Pilots - Pilots must meet all requirements of the Federal Aviation Regulations (FAR) part 135 for Air Taxi and Commercial Operators of small aircraft. A copy of the Pilot's Commercial Operators License will be available upon request of WDFW.
- Aircraft - All aircraft will be inspected a minimum of every 100 hours of flight and have a current annual inspection by approved FAA certified mechanics. These records should be readily available upon request of WDFW.
- When applicable, Contractor certifies to submit and receive approval for a Congested Area Plan (CAP) with the FAA.
- Oxygen - Oxygen will be provided and used by both pilot and passengers in accordance with Federal Aviation Regulations (FAR) Sections 135.89 and 135.157.
- Flying Time - Pilots will have a minimum of 1,000 hours flight time and a minimum of 50 hours flight time on aircraft being used at the time they are flying WDFW Personnel. A copy of the Pilots Log Book will be available upon request of WDFW. WDFW reserves the right to verify "ramp checks" with FAA.
- Emergency Locator Transmitter - All fixed wing aircraft shall be equipped with an Emergency Locator Transmitter.
- IFR Flights - Single engine aircraft will not be scheduled for IFR flights. However, they will contain necessary instruments and communication equipment to make a safe approach and landing if weather changes from Visual Flight Rules ("VFR") to IFR conditions.
- Flight Plans - Flight plan will be filed with the FAA in accordance with FAR 91-83 on all flights under this contract.
- Contractor certifies that any and all other applicable FAA/FAR licenses will be kept up to date during the life of the contract for each air charter service provided.
- Contractor certifies to follow any and all other applicable FAA/FAR regulations during the life of this contract for each air charter service provided.
- In addition to the insurance requirements contained in Attachment A, the Contractor will maintain Aircraft Hull Liability Insurance that shall include physical damage, owners, operators, passengers, baggage, and cargo carried on the aircraft of \$1,000,000 per occurrence and medical coverage for passengers, pilots, and crew for \$1,000,000 per occurrence.
- The contractor will provide Automatic Flight Following (AFF) or equivalent services for each scheduled flight.

4. The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this contract shall be construed to limit the parties' choice of a mutually acceptable alternate dispute resolution method in addition to the dispute resolution procedure outlined above.

DRUG-FREE WORKPLACE

The CONTRACTOR shall comply with the Drug-Free Workplace Act of 1988, 41 USC 701-707, as amended. The CONTRACTOR shall provide written notice of a conviction of a Contractor employee of a drug violation in the workplace to WDFW within seven (7) calendar days after the Contractor learns of the conviction.

The AGENCY shall not pay the CONTRACTOR, if the CONTRACTOR has charged or will charge the State of Washington or any other party under any other contract or agreement, for the same services or expenses.

FILING REQUIREMENT

The provisions of Chapter 39.26 RCW may require the AGENCY to file this contract as a sole source contract with the Department of Enterprise Services (DES) for approval. If so filed the effective date of this contract is upon DES approval of the contract, the tenth (10th) working day after it is filed with DES, or as agreed between the parties, whichever is later.

FINAL INVOICE

The CONTRACTOR shall submit the final invoice not later than 60 calendar days from the end of the contract period.

GOVERNING LAW

This contract shall be construed and interpreted in accordance with the laws of the State of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

INDEMNIFICATION

To the fullest extent permitted by law, the CONTRACTOR shall indemnify, defend, and hold harmless State, agencies of State and all officials, agents and employees of State, from and against all claims for injuries or death arising out of or resulting from the performance of the contract. "Claim," as used in this contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom. The CONTRACTOR expressly agrees to indemnify, defend, and hold harmless the State for any claim arising out of or incident to the CONTRACTOR'S or any subcontractor's performance or failure to perform the contract. The CONTRACTOR'S obligation to indemnify, defend, and hold harmless the State shall not be eliminated or reduced by any actual or alleged concurrent negligence of State or its agents, agencies, employees and officials. The CONTRACTOR waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless State and its agencies, officials, agents or employees.

INDEPENDENT CAPACITY OF THE CONTRACTOR

The parties intend that an independent contractor relationship will be created by this contract. The CONTRACTOR and his or her employees or agents performing under this contract are not employees or agents of the AGENCY. The CONTRACTOR will not hold himself/herself out as or claim to be an officer or employee of the AGENCY or of the State of Washington by reason hereof, nor will the CONTRACTOR make any claim of right, privilege or benefit that would accrue to such employee under law. Conduct and control of the work will be solely with the CONTRACTOR.

INDUSTRIAL INSURANCE COVERAGE

The CONTRACTOR shall comply with the provisions of Title 51 RCW, Industrial Insurance. If the CONTRACTOR fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees, as may be required by law, AGENCY may collect from the CONTRACTOR the full amount payable to the Industrial Insurance accident fund. The AGENCY may deduct the amount owed by the CONTRACTOR to the accident fund from the amount payable to the CONTRACTOR by the AGENCY under this contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the CONTRACTOR.

INSURANCE

The CONTRACTOR shall provide insurance coverage as set out in this section. The intent of the required insurance is to protect the state should there be any claims, suits, actions, costs, damages or expenses arising from any negligent or intentional act or omission of the CONTRACTOR or subcontractor, or agents of either, while performing under the terms of this contract.

The CONTRACTOR shall provide insurance coverage, which shall be maintained in full force and effect during the term of this contract, as follows:

1. Commercial General Liability Insurance Policy. Provide a Commercial General Liability Insurance Policy, including contractual liability, in adequate quantity to protect against legal liability arising out of contract activity but no less than \$1,000,000 per occurrence. Additionally, the CONTRACTOR is responsible for ensuring that any subcontractors provide adequate insurance coverage for the activities arising out of subcontracts.
2. Automobile Liability. In the event that services delivered pursuant to this contract involve the use of vehicles, either owned or unowned by the CONTRACTOR, automobile liability insurance shall be required. The minimum limit for automobile liability is \$1,000,000 per occurrence, using a Combined Single Limit for bodily injury and property damage.

3. Marine Insurance. If the CONTRACTOR will be using a vessel or boat in the performance of this contract, the CONTRACTOR shall maintain a Commercial Marine Protection and Indemnity (P&I) Policy with P&I limit of not less than \$1,000,000 per occurrence and with a deductible not to exceed \$25,000 (to include diving operations if diving is a part of the contracted service for any liability which includes coverage for injury to the crew and passengers).
4. The insurance required shall be issued by an insurance company/ies authorized to do business within the state of Washington, and shall name the state of Washington, its agents and employees as additional insureds under the insurance policy/ies. All policies shall be primary to any other valid and collectable insurance. CONTRACTOR shall instruct the insurers to give AGENCY thirty (30) calendar days advance notice of any insurance cancellation.

The CONTRACTOR shall submit to AGENCY within fifteen (15) calendar days of the contract effective date, a certificate of insurance that outlines the coverage and limits defined in this section. The CONTRACTOR shall submit renewal certificates as appropriate during the term of the contract; the failure of the AGENCY to enforce this term in no way reduces the CONTRACTOR's responsibilities under this section.

LICENSING, ACCREDITATION AND REGISTRATION

The CONTRACTOR shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary for the performance of this contract.

LIMITATION OF AUTHORITY

Only the AGENT or AGENT'S delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this contract. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this contract is not effective or binding unless made in writing and signed by the AGENT.

If any part of this contract is subcontracted to an OMWBE or DVA-certified firm the CONTRACTOR shall submit a statement of participation indicating what OMWBE or DVA certified firm was used and the dollar amount of their subcontracts.

COMPLIANCE WITH NONDISCRIMINATION LAWS

During the performance of this contract, the CONTRACTOR shall comply with all federal and state nondiscrimination laws, regulations and policies. In the event of the CONTRACTOR'S non-compliance or refusal to comply with any nondiscrimination law, regulation, or policy, this contract may be rescinded, canceled or terminated in whole or in part, and the CONTRACTOR may be declared ineligible for further contracts with the AGENCY. The CONTRACTOR shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

PREVAILING WAGE

If work performed by CONTRACTOR employees is subject to Chapter 39.12 of the Revised Code of Washington, the CONTRACTOR shall pay the prevailing rate of wages to all CONTRACTOR workers, laborers or mechanics in the performance of any part of the work described in the contract in accordance with state law and Department of Labor and Industries rules and regulations. The CONTRACTOR shall comply with the filing requirements required by this statute, including Statement of Intent to Pay Prevailing Wage, and Affidavit of Wages Paid.

PRIVACY

Personal information including, but not limited to, "Protected Health Information," collected, used, or acquired in connection with this contract shall be protected against unauthorized use, disclosure, modification or loss. CONTRACTOR shall ensure its directors, officers, employees, subcontractors or agents use personal information solely for the purposes of accomplishing the services set forth herein. CONTRACTOR and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the agency or as otherwise required by law.

Any breach of this provision may result in termination of the contract and the demand for return of all personal information. The CONTRACTOR agrees to indemnify and hold harmless the AGENCY for any damages related to the CONTRACTOR'S unauthorized use of personal information.

PUBLICITY

The CONTRACTOR agrees to submit to the AGENCY all advertising and publicity matters relating to this contract wherein the AGENCY'S name is mentioned or language used from which the connection of the AGENCY'S name may, in the AGENCY'S judgment, be inferred or implied. The CONTRACTOR agrees not to publish or use such advertising and publicity matters without the prior written consent of the AGENCY.

RECORDS MAINTENANCE

The CONTRACTOR shall maintain books, records, documents, data and other evidence relating to this contract and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract. The CONTRACTOR shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the contract, shall be subject at all reasonable times to inspection, review or audit by the AGENCY, personnel duly authorized by the AGENCY, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement. If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

REGISTRATION WITH DEPARTMENT OF REVENUE

The CONTRACTOR shall complete registration with the Washington State Department of Revenue and be responsible for payment of all taxes due on payments made under this contract.

RIGHT OF INSPECTION

The CONTRACTOR shall provide right of access to its facilities to the AGENCY, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this contract.

RIGHTS TO INVENTIONS

If this contract meets the definition of "funding agreement" under 37 CFR § 401.2 (a) regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under this contract, the CONTRACTOR must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any related implementing regulations issued by the Federal funding agency and WDFW.

SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, the AGENCY may terminate the contract under the "Termination for Convenience" clause, without the ten-day notice requirement, subject to renegotiation at the AGENCY'S discretion under those new funding limitations and conditions.

SEVERABILITY

The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

SITE SECURITY

While on AGENCY premises, CONTRACTOR, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

STATEWIDE VENDOR PAYMENT REGISTRATION

The CONTRACTOR is required to be registered in the Statewide Vendor Payment System prior to submitting a request for payment under this contract. The Washington State Office of Financial Management (OFM) maintains the Statewide Vendor Payment System; to obtain registration materials contact the Statewide Payee Desk at (360) 407-8180; or go to: <https://ofm.wa.gov/it-systems/statewide-vendorpayee-services>.

SUBCONTRACTING

Neither the CONTRACTOR nor any SUBCONTRACTOR shall enter into subcontracts for any of the work contemplated under this contract without obtaining prior written approval of the AGENCY. In no event shall the existence of the subcontract operate to release or reduce the liability of the contractor to the Department for any breach in the performance of the contractor's duties. This clause does not include contracts of employment between the contractor and personnel assigned to work under this contract.

Additionally, the CONTRACTOR is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this agreement are carried forward to any subcontracts. CONTRACTOR and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the agency or as provided by law.

TAXES

All payments accrued because of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the CONTRACTOR or its staff shall be the sole responsibility of the CONTRACTOR.

TERMINATION FOR CAUSE

In the event the AGENCY determines the CONTRACTOR has failed to comply with the conditions of this contract in a timely manner, the AGENCY has the right to suspend or terminate this contract. Before suspending or terminating the contract, the AGENCY shall notify the CONTRACTOR in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the CONTRACTOR shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

The AGENCY reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the CONTRACTOR from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the CONTRACTOR or a decision by the AGENCY to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the CONTRACTOR: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of the AGENCY provided in this contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

TERMINATION FOR CONVENIENCE

Except as otherwise provided in this contract, the AGENCY may, by 10 calendar days written notice, beginning on the second day after the mailing, terminate this contract, in whole or in part. If this contract is so terminated, the AGENCY shall be liable only for payment required under the terms of this contract for services rendered or goods delivered prior to the effective date of termination.

TERMINATION PROCEDURES

Upon termination of this contract, the AGENCY, in addition to any other rights provided in this contract, may require the CONTRACTOR to deliver to the AGENCY any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The AGENCY shall pay to the CONTRACTOR the agreed upon price, if separately stated, for completed work and services accepted by the AGENCY, and the amount agreed upon by the CONTRACTOR and the AGENCY for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by the AGENCY, and (iv) the protection and preservation of property, unless the termination is for default, in which case the AGENT shall determine the extent of the liability of the AGENCY. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. The AGENCY may withhold from any amounts due the CONTRACTOR such sum as the AGENT determines to be necessary to protect the AGENCY against potential loss or liability.

The rights and remedies of the AGENCY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the AGENT, the CONTRACTOR shall:

1. Stop work under the contract on the date, and to the extent specified, in the notice;
2. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract that is not terminated;
3. Assign to the AGENCY, in the manner, at the times, and to the extent directed by the AGENT, all of the rights, title, and interest of the CONTRACTOR under the orders and subcontracts so terminated, in which case the AGENCY has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
4. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the AGENT to the extent AGENT may require, which approval or ratification shall be final for all the purposes of this clause;
5. Transfer title to the AGENCY and deliver in the manner, at the times, and to the extent directed by the AGENT any property which, if the contract had been completed, would have been required to be furnished to the AGENCY;
6. Complete performance of such part of the work as shall not have been terminated by the AGENT; and

7. Take such action as may be necessary, or as the AGENT may direct, for the protection and preservation of the property related to this contract, which is in the possession of the CONTRACTOR and in which the AGENCY has or may acquire an interest.

TREATMENT OF ASSETS

1. Title to all property furnished by the AGENCY shall remain in the AGENCY. Title to all property furnished by the CONTRACTOR, for the cost of which the CONTRACTOR is entitled to be reimbursed as a direct item of cost under this contract, shall pass to and vest in the AGENCY upon delivery of such property by the CONTRACTOR. Title to other property, the cost of which is reimbursable to the CONTRACTOR under this contract, shall pass to and vest in the AGENCY upon (i) issuance for use of such property in the performance of this contract, or (ii) commencement of use of such property in the performance of this contract, or (iii) reimbursement of the cost thereof by the AGENCY in whole or in part, whichever first occurs.
2. Any property of the AGENCY furnished to the CONTRACTOR shall, unless otherwise provided herein or approved by the AGENCY, be used only for the performance of this contract.
3. The CONTRACTOR shall be responsible for any loss or damage to property of the AGENCY that results from the negligence of the CONTRACTOR or which results from the failure on the part of the CONTRACTOR to maintain and administer that property in accordance with sound management practices.
4. If any AGENCY property is lost, destroyed or damaged, the CONTRACTOR shall immediately notify the AGENCY and shall take all reasonable steps to protect the property from further damage.
5. The CONTRACTOR shall surrender to the AGENCY all property of the AGENCY prior to settlement upon completion, termination or cancellation of this contract
6. All reference to the CONTRACTOR under this clause shall also include CONTRACTOR'S employees, agents or SUBCONTRACTORS.

WAGE LAWS COMPLIANCE

By signing this contract the CONTRACTOR warrants that the CONTRACTOR has NOT been determined by a final and binding citation and notice of assessment issued by the Washington Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction to have willfully violated, as defined in RCW 49.48.082, any provision of RCW chapters 49.46, 49.48, or 49.52 within three (3) years prior to the start date of this contract. The CONTRACTOR further warrants that it will remain in compliance with these requirements during the performance period of this contract. The CONTRACTOR will immediately notify the AGENCY of any finding of a willful violation entered by the Washington Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction entered during the performance period of this contract.

WAIVER

Waiver of any default or breach shall not be deemed a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this contract unless stated to be such in writing and signed by authorized representative of the AGENCY.
