Dear Lisa Wood,

Thank you for contacting the DAHP regarding the above-referenced project. We concur with the proposed plan of a cultural resources survey of the project area as outlined in the SEPA checklist that was received on May 22, 2025 and look forward to receiving the results of the survey.

The survey report should be uploaded directly into the DAHP Online WISAARD system to expedite DAHP review. Please ensure that the DAHP Project Number (a.k.a. Project Tracking Code; listed in subject line) is shared with any cultural resource consultants and is attached to any communications or submitted reports.

Thank you, and please feel free to reach out with any questions or concerns,

Jessica
