WAC 220-200-160 Definition of a person with a disability.

(1) "Person with a disability" for purposes of eligibility under disability designation means a person who has a permanent physical disability or permanent developmental disability which substantially impairs their ability to participate in recreational activities or to access department lands; and

(a) "Lower extremity disability" means a person who has a permanent lower extremity impairment and is not ambulatory over natural terrain without a lower extremity prosthesis or must permanently use a medically prescribed assistive device every time for mobility including, but not limited to, a wheelchair, crutch, walker, or oxygen bottle; or

(b) "Upper extremity disability" means a person who has a permanent upper extremity impairment and is physically limited in their ability to hold and safely operate a legal hunting or harvesting device; or

These definitions include, but are not limited to, persons with a permanent upper or lower extremity impairment who have lost the use of one or both upper or lower extremities, or who have a severe physical limitation in the use of one or both upper or lower extremities, or
who have a diagnosed permanent disease or disorder which substantially
impairs or severely interferes with mobility or the use of one or both
upper or lower extremities.

(2) "Blind" or "Visually Impaired" means:

(a) Having Blindness is a central visual acuity that does not ex-
ceed 20/200 in the better eye with corrective lenses, or the widest
diameter of the visual field does not exceed twenty degrees; or

(b) Having Low-vision is a severe loss of visual acuity ranging
from 20/70 to 20/200 while retaining some visual function; or

(c) Having inoperable Visual impairments, may—including, but
are not limited to: Albinism, aniridia, aphakia, cataracts, glaucoma,
macular degeneration, or other similar diagnosed disease or disorder.

(3) "Developmental disability" means a cognitive intellectual
disability such as: Cerebral palsy, down syndrome, epilepsy, autism,
or another neurological condition of an individual found to be closely
related to an intellectual disability or to require treatment similar
to that required for individuals with intellectual disabilities, which
originates before the individual attains age eighteen, which has con-
tinued or can be expected to continue indefinitely, and which consti-
tutes a substantial limitation to the individual.
