Good afternoon everyone,

Just wanted to provide notice to everyone that the Willapa Bay Salmon Advisory Group (WBSAG) meeting scheduled for Nov 21st will be postponed to a later date. A press release will be forthcoming. There have been some scheduling conflicts getting the hatchery staff together to discuss the topics the advisory group had wanted to discuss. I will be working with those staff to reschedule this meeting at the earliest opportunity. Please feel free to contact me with any questions or concerns.

Thanks,
