Questions:

1. Please review the Mission Statement and five stated Purposes of the WDFW Waterfowl Advisory Group (<https://wdfw.wa.gov/about/advisory/wwag#mission-statement>). What is your vision for this group and what do you hope to achieve through your contribution to the WDFW Waterfowl Advisory Group?

2. a) How do you believe that you serve as a representative of the waterfowling community in Washington?, and

b) how would you explain and educate the waterfowling community about the WDFW's waterfowl management purpose and activities? Please provide examples.

3. What do you believe are the main topics facing waterfowl management and conservation issues in Washington?

4. Are you familiar with the Migratory Bird Permit and Artwork Program (sometimes referred to as the State Duck Stamp - <https://wdfw.wa.gov/hunting/requirements/waterfowl/stamp>)?

Provide an explanation as to why wetland protection, enhancement and management provides benefits to waterfowl populations and Washingtonians?

5. Before each in-person or virtual meeting a list of topics and projects to be discussed and potentially voted on will be provided to the group.

Are you willing to learn about and discuss topics relevant to waterfowl management and conservation in Washington state and across the Pacific Flyway, and respectfully consider perspectives that may differ from your own?

See examples of related waterfowl topic information:

<https://wdfw.wa.gov/about/advisory/wwag#additional-info>

Please provide an example:

Please attach extended answers to the above questions, questions for the Waterfowl Section, or additional relevant information with application.
