Batch 5 Rule Changes Rule Briefing & Public Hearing

> Oyster Reserve Sales & Fish Receiving Tickets

> > Agenda Item # 7

# Summary

- Batch 5 rule changes Part of the WAC Overhaul Project
- Technical changes and updates
- Involves:
  - Oyster reserve sales rules Chapter 220-60 WAC
  - Fish receiving ticket (FRT) rules Chapter 220-69
    WAC

# **Changes to Oyster Reserve Sales Rules**

- Improves clarity of subject matter in rule titles
- Updates language and streamlines provisions
- Makes structural improvements
- Updates RCW references
- Adds RCW penalty provisions where appropriate to ensure enforceability and clarity

- Clarifies provisions on when an original receiver must prepare a FRT
- Adds provisions describing a new treaty Indian shellfish receiving ticket
  - No new reporting requirements
  - Users had to scratch out species on treaty Indian FRT so they could complete the form for shellfish
  - Provides a separate form for treaty Indian shellfish transfers to better accommodate users/co-managers

- Adds detail to the definition of "fish buyer"
- Defines "fish receiving ticket" by listing the receiving tickets used by WDFW (previously implied)

 Allows users to send a PDF of a FRT to satisfy quick reporting requirements for salmon and sturgeon fisheries

 Removes requirement to mail in a hard copy of a FRT if a person chooses to send a PDF of the FRT to satisfy quick reporting requirements

- General technical changes:
  - Improves clarity, readability, and structure
  - Updates contact information for harvest reports
  - Technical changes to reflect current practices
  - Corrects RCW references to ensure enforceability
