Questions on WAC 232-28-337

# Special Closures and Firearm Restriction Areas

WAC 232-28-248

# **Proposed Changes**

- Proposed adjustments are for a Firearm Restriction Area in Grays Harbor County
- The proposal clarifies that the restriction is intended to apply only during modern firearm deer and elk seasons

# **Direction and Rationale**

- Firearm Restriction Areas maintain hunting as a management tool while taking into account safety and effectiveness
- Proposal clarifies the timing of the firearm restriction
- Maintains safety without being unnecessarily burdensome to landowners and small game hunters outside of modern firearm deer and elk seasons

### Questions on WAC 232-28-248

# Hunting by Persons With a Disability

WAC 232-12-828

Information is subject to changes and amendments over time

March 18-19, 2016, WDFW Commission Meeting Presentation

# Background

- Hunters with disabilities are permitted to shoot from their vehicles under RCW 77.32.238
- Enforcement and County Prosecutors requested clarification of the RCW
- Previous WAC language was removed in anticipation of RCW change that didn't happen
- The proposal reinstates language that was removed

# **Proposed Changes**

While in a vehicle, hunters with a disability may not possess a loaded firearm or shoot unless:

- The vehicle is stopped and off the maintained portion of roadway
- The motor is turned off
- They have a disabled hunter vehicle placard

## Rationale

- Previous WAC language was removed in preparation for the RCW change
- Currently hunters with disabilities do not have defined rules for shooting from a vehicle
