

Agency: Washington Department of Fish and Wildlife

Subject of possible rule making: The department will consider rule changes associated with the validation of charter stamps.

Statutes authorizing the agency to adopt rules on this subject: RCW 77.04.012, 77.04.013, 77.04.055, and 77.12.047.

Reasons why rules on this subject may be needed and what they might accomplish: The department needs a rule to prohibit Resions why rules on this subject may be needed and what they might accomplish: The department needs a rule to prohibit rishing guides and charte-boat operators from re-using charter stamps, seven though the practice defrauds the state of license revenue. The legislature is considering a bill on the subject, and this rule project will supplement the bill if it gasses. The proposed rule will (1) lay out the process for validating charter stamps so the stamps cannot be reused; and (2) ensure that charter-stamp-validation violations and the re-use of stamps are penalized appropriately. Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: None.
