- Yes
 - No
- If Yes, explain:

Purpose: The Washington Department of Fish and Wildlife is proposing a rule amendment relating to the purchase and processing of Pacific mackerel from commercial purse seine fisheries. The purpose of this proposal is to limit the amount of mackerel commercial receivers and processors can purchase for purposes other than human consumption or bait (e.g. fish flour, fish meal, fish scrap, fertilizer, fish oil, etc.). As proposed the amendment will limit the amount of mackerel that can be purchased for purposes other than human consumption or bait to 15 percent of total mackerel landed by weight per vessel per year.

This proposal reflects the establishment of a new trial purse seine fishery for mackerel in 2016 and the intent to apply the same standards to the purchase of mackerel as exist in rule for sardine. Previously mackerel could only be landed incidentally in the sardine purse seine fishery. Total annual mackerel harvest is likely to increase with a new trial fishery that allows targeted mackerel fishing. The intent of the proposal is to maximize the value of mackerel harvested by promoting utilization of the catch for human consumption or bait. The provision permitting a percentage of annual catch to be reduced is intended to minimize wastage of fish not suitable for human consumption or bait.

(a) Be a licensed wholesale fish dealer or fish buyer; and

(b) Immediately, completely, accurately, and legibly prepare the appropriate state of Washington fish receiving ticket for each and every purchase or receipt of such commodities.

(i) The original receiver must record each delivery on a separate fish receiving ticket; and

(ii) The original receiver must prepare a fish receiving ticket for purchases of fish or shellfish from fishers who are also fish dealers if the fisher/dealer has not previously completed a fish receiving ticket and provided a copy of the fish receiving ticket or the ticket number as proof.

(2) Failure to be licensed under subsection (1) of this section is punishable under RCW 77.15.620. Failure to properly prepare a fish receiving ticket is punishable under RCW 77.15.630.

(3) It is unlawful for the original receiver to fail to initiate the completion of the fish receiving ticket upon receipt of any portion of a commercial catch. If delivery of the catch takes more than one day, the original receiver must enter the date that the delivery is completed on the fish receiving ticket as the date of delivery. If, for any reason, the delivery vessel leaves the delivery site, the original receiver must immediately enter the date the vessel leaves the delivery site on the fish receiving ticket.

(4) It is unlawful for any original receiver of shellfish to fail to record all shellfish aboard the vessel making the delivery to the original receiver. The poundage of any fish or shellfish that are unmarketable, discards, or weigh backs must be shown on the fish receiving ticket and identified as such, but a zero dollar value may be entered for those fish or shellfish.

(5) Any employee of a licensed wholesale dealer who is authorized to receive or purchase fish or shellfish for that dealer on the premises of the primary business address or any of its plant locations as declared on the license application, is authorized to initiate and sign fish receiving tickets on behalf of his or her employer. The business, firm, and/or licensed wholesale fish dealer the buyers are operating under is responsible for the accuracy and legibility of all documents initiated in its name.

(6) This section does not apply to purchases or receipts made by individuals or consumers at retail.

(7) Subsections (1) through (4) of this section do not apply to persons delivering or receiving fish taken under the Pacific Coast Groundfish Shoreside Individual Fishing Quota (IFQ) Program (50 C.F.R. § 660.140) who are in compliance with the provisions of WAC 220-69-250(5) and who:

(a) Complete electronic fish receiving tickets prior to either processing fish or removing the fish from the delivery site; and

(b) Electronically submit the electronic fish receiving tickets to the National Marine Fisheries Service and the department no later than twenty-four hours after the date the fish are received.

(c) Electronically submit any amendments made to the mandatory information required under WAC 220-69-256 after the initial submission required under (b) of this subsection.

(8) For purposes of this section;

(a) The term "completed" means that scale weights have been recorded for all delivered fish; and

Sardine((~~s~~)) and mackerel purchased for these purposes must be included, by weight, on the fish ticket as "reduction."

(c) In any forage fish fishery or in the mackerel purse seine fishery, it is unlawful to purchase anchovy in excess of fifteen percent, by weight, of the total landing weight per vessel, for the purposes of conversion into fish flour, fishmeal, fish scrap, fertilizer, fish oil, or other fishery products. Anchovy purchased for these purposes must be included, by weight, on the fish ticket as "reduction."
