Agency: Washington Department of Fish and Wildlife (WDFW)

Subject of possible rule making: The department is considering an amendment to an existing rule to establish a plastic license document.

Statutes authorizing the agency to adopt rules on this subject: RCW 77.32.256

Reasons why rules on this subject may be needed and what they might accomplish: RCW 77.32.256 allows the director to set the conditions and fees on duplicates. The new license document option will be a plastic "hard card" that will be more convenient for anglers and hunters to carry than the current paper licenses. The "hard card" option will generate duplicate fees for the department from anglers and hunters who chose to purchase this new document in addition to the paper document.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: None

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study
- Other (describe)
