Title of rule and other identifying information: (describe subject)

WAC 220-310-080 Game fish seasons-General rules.
WAC 220-312-020 Freshwater exceptions to statewide rules-Coast
WAC 220-312-050 Freshwater exceptions to statewide rules-Eastside
WAC 220-312-060 Freshwater exceptions to statewide rules-Columbia

Purpose of the proposal and its anticipated effects, including any changes in existing rules:

WAC 220-310-080 – Clarify commission adopted language to reflect intention of opening all rivers, streams, and beaver ponds to a standard season of Saturday before Memorial Day through October 31 unless provided for in WAC 220-312-010 through 220-312-060.

WAC 220-312-020 – Corrects the omission of the closure of all tributaries to the Elwha River (Clallam County) during the rule simplification process. This is a rule had previously been adopted by the commission.

WAC 220-312-050 – Corrects the omission of the closure to all steelhead fishing in the lower portion of the Chelan River (Chelan County). This is consistent with the current ESA listing for upper Columbia River Steelhead.

WAC 220-312-050 – Corrects and clarifies river sections of Crab Creek (Adams/Grant/Lincoln Counties) that was omitted when a proposed rule was not adopted by the commission and should have reverted back to previous sections.

WAC 220-312-060 – Corrects the omission of the closure to all steelhead fishing in two sections of the Columbia River from the Old Hanford townsite wooden power lines towers to Vernita Bridge and from Vernita Bridge to Priest Rapids Dam. This is consistent with the current ESA listing for upper Columbia River Steelhead.

Reasons supporting proposal: These changes are necessary to correct omitted rules that have previously been adopted by the commission or are required by ESA listings. It also serves to clarify language to reflect intention of simplification.

The statute on which the rule is based has been repealed and has not been replaced by another statute providing statutory authority for the rule;

The statute on which the rule is based has been declared unconstitutional by a court with jurisdiction, there is a final judgment, and no statute has been enacted to replace the unconstitutional statute;

The rule is no longer necessary because of changed circumstances; or

Other rules of the agency or of another agency govern the same activity as the rule, making the rule redundant.
