Yes  No If Yes, explain:

**Purpose:** Changes to WAC 220-330-040 would revise the date when recreational anglers can use pot gear in coastal Marine Area 2-1 (Willapa Bay). Currently, the recreational fishery using pot gear is open from December 1 through September 15. This change would allow recreational pot gear to be used two weeks earlier, starting on November 15. This change would not affect the recreational Dungeness crab fishery in the Columbia River where pot gear is already allowed year round.
