EMERGENCY RULE ONLY

Under RCW 34.05.350 the agency for good cause finds:

(x) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest. () That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

() That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal years 2009, 2011, or 2012, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for finding: This emergency rule closes the commercial crab fishery in Region 3-1. The management plan specifies a hard closure date of March 31 regardless of allocation remaining. This emergency rule continues the closure of the commercial crab harvest in Region 1, Region 2 West, Region 2 East and Region 3-2. The State has reached the full allocation in Region 1, Region 2 East, Region 2 West and Region 3-2. The State commercial crab fishery will continue in Region 3-3 with a management plan hard closure date of April 15. Sufficient allocation remains in Region 3-3 to carry the fishery until April 15. These provisions are in conformity with agreed management plans with applicable tribes, entered into as required by court order. The Puget Sound commercial season is structured to meet harvest allocation objectives negotiated with applicable Treaty tribes and outlined in the management plans. There is insufficient time to adopt permanent rules. (15-60, 3/31/2015)
