EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding: The majority of adult sockeye salmon currently in Lake Wenatchee will soon become largely unavailable to anglers due to their annual migration to the spawning grounds on the White and Little Wenatchee Rivers. Sockeye condition and desirability will have declined drastically. This closure will further reduce unnecessary impacts to bull trout with such relatively few sockeye still being present in Lake Wenatchee.
