EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
 That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is needed to extend the trout fishery in South Pond at the Bogachiel Hatchery because recent restrictions to the public access to Wentworth Lake, hatchery trout normally planted into Wentworth Lake are being planted in the South Pond which will provide additional angling opportunity. The agency is considering making this fishery a permanent rule.
