EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is needed to reopen the lower portion of the Samish River. This area was closed to all fishing with filing WSR 17-21-020 to facilitate achieving broodstock collection needs for fall Chinook at the Samish Hatchery. These broodstock needs have now been achieved. There is insufficient time to adopt permanent rules.
