EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is needed because coho broodstock needs at the Sol Duc Hatchery have been met, and surplus hatchery (adipose fin clipped) coho remain in the Sol Duc River below the hatchery. This action allows anglers to retain hatchery coho through December 15th. There is insufficient time to adopt permanent rules.
