**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.  
 That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This emergency rule is needed to close commercial green sea urchin harvest in District 1 and the northern half of District 2 (21A, 21B, 22A, 22B) to prevent overharvest. Harvestable surpluses of sea urchin exist in the districts specified to remain open for sea urchin harvest. There is insufficient time to adopt permanent rules.
