EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is necessary to ensure safe and successful Youth fishing events. Five thousand trout will be planted three days prior to the event to acclimate them and assure they bite well. On April 21, 2018 pre-registered kids will be allowed to fish during the event. There is insufficient time to adopt permanent rules.
