EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
 That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule change is necessary to ensure a successful Kids Fishing event. The fish will be planted in the lake three days prior to the event to better acclimate them. On the day of the event only children 14 years of age or less will be allowed to fish in the lake. There is insufficient time to adopt permanent rules
