**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This emergency rule is needed to allow a limited harvest of sturgeon in the estuary and to allow the summer sturgeon season in the Bonneville Pool, The Dalles Pool, and adjacent tributaries. This rule will provide for additional angling opportunity. There is insufficient time to adopt permanent rules.
