  - No
- If Yes, explain:

**Purpose:** The emergency rule is necessary to implement the Disabled Veteran Donation Program as passed by the Legislature. The implementation date is June 13, 2018 and the emergency rule is necessary to ensure that the agency has a rule in place by this date. This emergency rule describes the license products available.

**Other authority:**

**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** In order to comply with the legislative mandate, an emergency rule is needed to ensure that we have a rule in place prior to the implementation date of June 13, 2018 for the Disabled Veteran Donation Program. There is insufficient time to adopt permanent rules.
