EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Spring chinook daily counts at Prosser and Roza have declined substantially, signaling the end of the 2018 return to the Yakima River. This emergency rule is needed to close the upper river salmon fishing. There is insufficient time to adopt permanent rules.
