**Other authority:**

**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This emergency rule is needed to re-open the commercial beach seine fishery in Salmon Management and Catch Reporting Area 12C for Wednesday August 29th 2018. There has been a significant increase in Chinook reported at the hatchery. Re-opening the fishery will allow Non-Treaty Beach Seine access to the remaining Chinook quota. There is insufficient time to adopt permanent rules.
