EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: After reviewing catches to date, co-managers agreed to open an additional day of commercial gillnet fishing in Puget Sound Salmon Management and Catch Reporting Areas 12, 12B and 12C to harvest the remaining non-treaty share. There is insufficient time to adopt permanent rules.
