EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule is needed to return the North Fork Stillaguamish River to permanent rule. The Whitehorse Hatchery has completed broodstock collection for early winter steelhead for the season. This rule change gives anglers the opportunity to harvest any remaining hatchery steelhead. There is insufficient time to adopt permanent rules.
