EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
 That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is needed to close the 2018-19 commercial sea urchin season. The quota has been reached for red sea urchins in Sea Urchin District 4. Surplus quota for green sea urchins exists in Sea Urchin Districts 3, 4, 6, and 7 but no active harvesters remain. There insufficient time to adopt permanent rules.
